**CHILDHOOD CANCER FOUNDATION, CANDLELIGHTERS CANADA**

**CHILDHOOD CANCER FOUNDATION, CANDLELIGHTERS CANADA** was established in 1987. They are the only charity devoted entirely to the fight against childhood cancer in Canada. They provide support programs, fund research and advocate for children and their families who are affected by cancer. These programs directly contribute to increasing survival rates and quality of life for pediatric cancer patients and their families, and will ultimately help find a cure for all childhood cancers. The Ladies' Auxiliary of the C.I.B.P.A. is pleased and proud to raise charitable funds on behalf of **CHILDHOOD CANCER FOUNDATION, CANDLELIGHTERS CANADA.**
